Jaguar Mining Announces Creditor Approval of Restructuring Plan

Toronto, Ontario, Canada, February 3, 2014 — Jaguar Mining Inc. (“Jaguar” or the “Company”) is pleased to announce that the resolution (the “Plan Resolution”) approving the Company’s amended and restated plan of compromise and arrangement (the “Plan”) pursuant to the Companies’ Creditors Arrangement Act (Canada) (“CCAA”) was approved by 100% of the Affected Unsecured Creditors (as defined in the Company’s information circular and proxy statement dated December 23, 2013) that voted, in person or by proxy, on the Plan Resolution at the meeting of Affected Unsecured Creditors held on January 31, 2014.

Jaguar intends to seek an order from the Ontario Superior Court of Justice (Commercial List) sanctioning and approving the Plan (the “Sanction Order”) at a hearing to take place during the week of February 3, 2014. Implementation of the Plan is subject to receipt of the Sanction Order and to satisfaction or waiver of certain other conditions precedent set forth in the Plan.

“We are pleased with the overwhelming vote of support by creditors for the Plan,” said President and Chief Executive Officer David Petroff. “We continue toward satisfying the remaining conditions to implementation of the Plan in the near term in order to complete the $50 million backstopped share offering under the Plan and emerge from creditor protection. We are optimistic that our recapitalization efforts will result in a stronger foundation for a more sustainable and competitive company.”

Assuming satisfaction or waiver of the conditions within the expected time frames, the Company anticipates implementing the Plan and completing its Recapitalization in February 2014.
